Remarks

Welcome to this SOLID brick ranch located in the desirable Tonquish Subdivision of Westland—an ideal opportunity for first-time homebuyers or investors! This well-maintained home features hardwood floors under carpet adding timeless character and value. Spacious kitchen with an abundance of cabinets and updated countertops, backsplash and stainless-steel sink. Super large full bathroom with newer modern countertop, stylish backsplash, and updated flooring, perfect for large family. Enjoy the convenience of a large driveway with plenty of off-street parking that leads to a generous two-car garage. Step out back to relax or entertain under the covered patio overlooking the backyard—great for outdoor gatherings or quiet evenings at home. Major updates provide peace of mind, including a new roof (2022), furnace, central air, and hot water heater (2021), updated electrical in both the home and garage, newer vinyl siding (2022), and windows (2005). With solid updates and classic appeal, this home is truly move-in ready. One lucky new homeowner will get the chance to make this wonderful property their own—don't miss it!
